

SLIPPERY ROCK BOROUGH

Proposal for Outdoor Business

Slippery Rock Borough is currently accepting proposals from Borough Businesses to conduct business outdoors from September 15th through November 1st. The Borough will **consider** closing alleyways from Thursdays at 3:00 pm until Monday at 7:00am. (As the sidewalks are not wide enough to allow business to be conducted there, this proposal is for alleyways only). The proposal must be submitted to Christian Laskey (Code Officer) at the Borough Building by September 21st. You will be notified of the Borough's decision within 2 business days of submission.
